

GOALS REVITALIZE NEIGHBOURHOODS AND FOSTER STABLE AND HEALTHY COMMUNITIES.

Improve neighbourhood capacity/ empowerment (as measured by increased participation of local stakeholders in renewal efforts, complementary funding leveraged and greater residential stability).

The community is committed to ensuring the engagement of youth in all aspects of the North End, and will ensure that all initiatives and projects consider the unique needs of North End youth.

NECRC strives to build a community that is inclusive, holistic and respectful. In the spirit of “We are all Treaty People” we will focus on healing and strengthening the community’s relationships with all individuals, with specific emphasis towards Aboriginal people. In response, the Calls to Action of the Truth and Reconciliation Commission will be considered in community planning, activities and initiatives and integrated where applicable.

To support this goal, the community calls for community forums, workshops and training around the TRC calls to action and on equity for all citizens.

The North End Community Renewal Corporation will continue to work in the community as an advocate, builder of partnerships, liaison to government and coordinator of meetings, events and initiatives.

The community affirms and supports NECRC’s role in the community and invites the organization to continue to work with community partners, stakeholders, and funders, by facilitating, coordinating and communicating community renewal in the North End.

OBJECTIVES

Improve neighbourhood capacity/ empowerment (as measured by increased participation of local stakeholders in renewal efforts, complementary funding leveraged and greater residential stability).

Improve housing conditions (as measured by physical improvements to substandard housing, development of affordable housing units, increased housing values/ investment and promotion of homeownership including cooperative housing models).

Increase economic development activity (as measured by labour market participation rates, job creation, training/ employment preparation, adult education opportunities, sustaining or development of small business and/or social enterprise).

Improve safety conditions (as measured by reductions in crime including fires/arson; improved security measures such as street lighting and home security; and greater perception of safety).

Increase access to recreation and wellness opportunities (as measured by improvements to parks and green space, play structures and other community recreation facilities; increased recreational programming and affordability including equipment and transportation).

Committed to the social, economic and cultural renewal of the North End of Winnipeg.
