

North End Food Security Facilitator

North End Community Renewal Corporation (NECRC), is a not-for-profit organization dedicated to the revitalization of Winnipeg's North End neighborhood through a variety of innovative and sustainable social, economic, and cultural initiatives. We are seeking a passionate and committed Food Security Facilitator to promote sustainable, nutritious food access for North End residents through various food security and greening initiatives.

NECRC values diversity and inclusiveness, especially from the North End community, Indigenous peoples, individuals with relevant lived experience, and members of equity-seeking groups. We encourage you to highlight your connection to these groups in your application as we work to build a team that reflects the community we serve.

At NECRC, you'll be part of a team dedicated to making a tangible difference in the community. We offer a supportive work environment, opportunities for professional development, and the chance to work on meaningful projects that positively impact the North End of Winnipeg.

- **Location:** 509 Selkirk Avenue, Winnipeg
- **Hours:** Full-time (9:00 AM to 5:00 PM, Monday to Friday with occasional evenings and weekends)
- **Salary:** \$22.43/hour
- **Reports to:** Community Development Manager and the Food Security Coordinator

Job Summary: As a Food Security Facilitator, you will support residents and stakeholders in enhancing community capacity through holistic and collaborative approaches. Your role will involve relationship building, community engagement, program development, and administrative duties.

Key Responsibilities:

- Researching, planning, and sharing information on existing and potential food security projects through community forums, consultations, and classroom instruction.
- Facilitating partnerships between North End organizations/agencies involved in community gardens and food security activities such as community kitchens, hamper programs and good food box program.
- Enhancing residents' capacity and knowledge of food security, with a focus on youth, seniors, Indigenous peoples, newcomers, and low-income groups.
- Promoting the wellness benefits of community gardens to health providers in the North End.

- Supporting both existing and new community garden initiatives.
- Furthering the development of the North End Food Security Network.
- Host food security workshops and educational sessions such as, cooking classes, how to best utilize a hamper, gardening workshops, and canning classes.
- Performing administrative duties, including developing project funding proposals, submitting project reports, and staff reports, as well as data collection.
- Assisting with the Selkirk Avenue Farmers market
- Performing other duties as assigned.

Qualifications:

- 2-3 Years of hands on Culinary experience
- University Degree or College Diploma in a related field (or equivalent experience).
- Experience working in an inner-city setting.
- Strong communication skills
- Ability to work independently and as part of a team.
- Proficiency in computer skills, including Windows XP and Microsoft applications.
- A commitment to building strong, healthy families and communities.
- Availability for some evening work.
- Experience in greening and food security activities
- Possession of a personal professional knife kit is considered a strong asset
- Having access to a vehicle and valid drivers license is an asset

Other Key Skills/Knowledge:

- Experience in group facilitation.
- Knowledge of the North End of Winnipeg and its diverse community.
- Experience working with marginalized populations

Application Process: Please email your resume and a cover letter explaining why you are the ideal candidate for this role to Talia Syrie at HR@necrc.org. DO NOT APPLY ON THE INDEED SITE. Your cover letter is important for us to understand your unique qualifications. The position will remain open until filled, and we thank all applicants for their interest. Only those selected for further consideration will be contacted.
